**TOPIC**

**28E Agreement between DNR and Department of Revenue**

---

The Natural Resource Commission's approval is requested to enter into a 28E Agreement with the Iowa Department of Revenue (IDR) to establish an effective system for the collection of debts owed to the DNR. The IDR is authorized by the Code of Iowa to provide these collection services to state agencies and Iowa Code Chapter 28E (2005) authorizes state agencies to contract with one another.

During similar prior agreements, the IDR, with their specialized expertise and tools, was more successful in its overall collection efforts resulting in an increase of the total collection of debts. The DNR was able to spend fewer resources collecting debts and more resources focused on program goals.

Pursuant to the current terms of the Agreement, the DNR would pay IDR not more than 15% of the total debt collected. Either party would be able terminate the Agreement upon 30 days written notice.
